## Alma Mater, Ohio

When e'er we take our book of mem'ries  
And scan its pages through and through  
We'll find no days that glow so brightly  
As those we spent at old O.U.  
Within our Alma Mater's portals  
We meet her children hand to hand  
And when there comes the day of parting,  
Still firm and loyal we will stand

Alma Mater, Ohio,  
Alma Mater, brave and fair!  
Alma Mater, we hail thee,  
For we own thy kindly care.

Alma Mater, Ohio,  
When we read thy story o'er,  
We revere thee and cheer thee  
As we sing thy praise once more.

Our Alma Mater calls us ever,  
And love of country has its claim,  
The one but makes us prize the other,  
And thus we cherish both the same.  
When Alma Mater sends us forward,  
And in her name we stand in line,  
Then we will serve the nation better,  
For having gathered at her shrine.

*Words and music by Kenneth S. Clark.*

*Written in 1915 and awarded first prize in the Alma Mater  
Song Contest conducted by Edwin W. Chubb, Dean,  
College of Liberal Arts.*

## COMMENCEMENT Speaker

### DAVID J. NGUYEN, PH.D.

*Interim Associate Dean for Research and Graduate Studies; Associate Professor*

David J. Nguyen (he/him) is an Associate Professor of Higher Education & Student Affairs in the Department of Counseling and Higher Education, Interim Associate Dean for Research and Graduate Studies in The Patton College of Education and the Provost's Faculty Fellow for Student Success. Since joining the faculty at Ohio University in August 2016, he has produced more than 60 publications and presentations focused on how campus ecology contributes to student success. He calls attention to how individuals and organizational features hinder or widen equitable opportunities for students holding minoritized identities. To address these aims, two lines of inquiry anchor his student success-oriented research agenda. In the first, Dr. Nguyen examines how individual and organizational factors promote success for underserved and underrepresented students (e.g., LGBTQ+, Low-income). In the second line, he analyzes pathways to, through, and beyond graduate education. His work has been written and published with graduate students in leading journals, such as *Educational Researcher*, *Journal of Diversity in Higher Education*, and *Journal of Student Affairs Research and Practice* and been externally funded by the National Academic Advising Association and the National Association of Student Personnel Administrators. During Spring 2022, his co-edited volume *A Handbook For Supporting Today's Graduate Students* will be released by Stylus Publishing.

In the context of teaching and advising, Dr. Nguyen intentionally incorporates opportunities for students to critically examine contemporary issues facing higher education, engage in rigorous debates, translate theory into practice, and inspire their own curiosity. Teaching and learning with students are some of the most enjoyable and challenging aspects of his work as a faculty member. In this role, he learns from and with students as co-constructors of knowledge. Dr. Nguyen's approach to advising is developmental but supplemented with challenge towards academic excellence. His approaches inside and outside of the classroom have led to students nominating him for and receiving the Patton College of Education's Distinguished Mentoring and Faculty Research Awards.

Dr. David Nguyen holds a B.S. in Accounting and Marketing Management and an M.S. in Accounting, both from Syracuse University. He also holds an M.S. in College Student Development and Counseling from Northeastern University and a Ph.D. in Higher, Adult & Lifelong Education from Michigan State University. Prior to pursuing a career as a faculty member, Dr. Nguyen worked professionally as a corporate consultant for PricewaterhouseCoopers (now PwC) in Los Angeles and as a student affairs professional at several institutions in or around the Boston area.

## ACADEMIC Heraldry

The caps, gowns, and hoods worn today in these Commencement Exercises are patterned after the attire of monks and students in the Middle Ages. Those who have earned bachelor's degrees wear gowns with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back, and long, pointed sleeves. The holder of a master's degree wears a similar gown, with long or short oblong sleeves that hang down in the traditional manner and open at the wrist.

Those possessing the doctoral degree wear gowns with broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the distinctive field of learning represented by the degree. Most of the color and meaning of the costume is found in the hoods. These are silk-lined with the color or colors of the institution conferring the degree. As can readily be observed, the official colors of Ohio University are green and white. The border of the hood is velvet and its color signifies the field of learning to which the degree pertains:

Accountancy . . . . .	Drab	Humanities . . . . .	White

## CEREMONIAL MACE

For centuries, the mace has been used as a symbol of authority. Today, it represents the authority of monarchs, legislatures, and universities around the world. Designed by the late Professor of Art David R. Klahn, the Ohio University Ceremonial Mace is modeled after the balustrades of an original stairway of Cutler Hall, the oldest building on the Athens campus. It features the University seal and a stylized representation of the Cutler Hall cupola. The mace is carried and displayed during official ceremonies at Ohio University, including Commencement.

## THE SEAL of Office

Worn by the president at official Ohio University functions, the Seal of Office also was designed by the late Professor Klahn. Fabricated of silver and bronze, the primary medallion features a silhouette of Cutler Hall, the date of Ohio University's founding (1804), and the words, "Ohio's First University." The secondary medallion, at the back of the chain, is the University seal. Smaller medallions, replicas of the two center portions of the University seal, are interspersed alternately with the chain's links. The Seal of Office was created for the inauguration of President Emeritus Robert Glidden in 1994 and will be passed on to future presidents of Ohio University.

# HONORS Information

## HONOR CORDS

Undergraduates who are graduating with honors are wearing honor cords. Those who are graduating with honor, or cum laude (accumulative grade point average of 3.5 to 3.749), are wearing bronze cords; those graduating with high honor, or magna cum laude (3.75 to 3.899), are wearing silver cords; and those graduating with highest honor, or summa cum laude (3.9 to 4.0), are wearing gold cords.

Students who graduate with honor must have completed 30 semester hours of coursework with letter grades in residence at Ohio University and must be completing a bachelor's degree. Graduation with honor does not apply to recipients of associate's or graduate degrees.

---

*A special notation appears on the diploma and in the commencement program for students who graduated with honors.*

## OHIO HONORS

The OHIO Honors Program expands on traditional honors education by adding a focus on experiential learning. OHIO Honors students take on challenging coursework throughout their undergraduate experience, but also apply their learning in the real world through internships, partnerships with community organizations, hands-on research, and other co-curricular activities. Students complete an average of two honors experiences per semester, about half in the classroom and half in other settings where they can apply their learning to different contexts. Designed to complement any major, the program connects students with fellow scholars across the university to explore ideas and issues from a wide range of perspectives.

Undergraduates who are graduating with OHIO Honors appear with a special notation on their diploma and in the Commencement program. Students who have completed 6-11 honors experiences receive OHIO Honors designation. Students who have completed 12 or more experiences receive OHIO High Honors designation.
