

## Belmont College – Ohio University Plan

---

### Ohio University Associate of Technical Study (AT5520)

#### Belmont College Process Control Certificate to A.T.S. Professional Pathway (Type A)

If you wish to pursue a two-year program of study in a field other than those available through one of the other Ohio University associate degrees, you may design your own program of study to meet particular goals through the Associate of Technical Study (A.T.S.) Type A degree program. This program can be used to design an individualized associate degree for a specialized career objective and may recognize work previously completed in certificates. The A.T.S. is available to students registered through the Chillicothe, Lancaster, and Southern campuses.

The A.T.S. (Type A) coursework is collaboratively selected by the student and ATS advisor and may involve faculty from selected content areas as subject matter experts. A planned course of study that is approved by the faculty consists of a coherent combination of 30 credits from at least two content areas and must be aligned to meet a clearly identifiable career objective which would not be adequately addressed by an existing program. Use of transfer credit would depend on appropriateness to the career objective and as approved by the Technical Study Review Committee.

Students completing the A.T.S. may choose to continue their education with credits being selected so as to be applicable to the Bachelor of Technical and Applied Studies (B.T.A.S.) that builds their credentials to support leadership roles related to their A.T.S. field of study.

(Students using this program design generally have not earned [Ohio Career-Technical Credit Transfer \(CT\)<sup>2</sup>](#) credit that would be used in an A.T.S. (Type B) program. See Catalog for A.T.S. Type B program requirements and work with a program advisor on details.)

---

### Admission Requirements

- No additional requirements beyond University admission requirement for freshman or transfer admission.
- Transfer applicants must have a cumulative grade-point average of a 2.0 or higher from all institutions previously attended to be considered for admission.
- Official transcripts and certificates of completion must be sent directly to Ohio University from all colleges, universities, and career centers you have attended.

#### Application Information

Apply online <https://admissions.ohio.edu/apply/>

Students can earn a Technical Study major through the Chillicothe, Lancaster, or Southern campuses. The Organizational Studies major is available at one of OHIO's regional campuses or OHIO Online.

## Organizational Studies Online Program Pathway

The Organizational Studies program pathway is designed to complement a student’s previous coursework in a particular field of study or the attainment of an associate degree by studying the theory and practices that lead to organizational effectiveness. An overview of leadership principles, the use and function of work groups and teams, and why diversity benefits the organization are applied in the classroom and in a capstone experience. Students can customize their degree with a certificate, minor, or selected electives to complement their background, or employer/career interests without taking additional credits. The Organizational Studies Online Program builds upon the technical skills developed within associate degree programs and/or experiences gained during employment by providing the knowledge and ability to apply the professional skills that employers seek and are necessary for career advancement.

The Organizational Studies Online Program is a completion degree designed to follow an associate degree or the attainment of 60 credits. If needed, a student can either complete an associate degree at Ohio University or complete 60 credits with 24 credits focused on a specified area of study. The student may formally enter the Organizational Studies Online Program after completing 60 credits.

### Degree Requirements

To qualify for the Bachelor of Technical and Applied Studies, Organizational Studies major, a student must have completed all Ohio University graduation requirements: general education, College, major, and residency. Students must earn a minimum of 30 semester hours of Ohio University credit, complete a minimum of 50% of the major course requirements at Ohio University, and complete a minimum of 120 total semester hours for graduation (elective hours may be required) with a major and overall GPA of 2.0 or higher.

### Professional Skills Core

Complete all of the following courses (requires grade of “C” (2.0) or better) through Belmont College or OHIO Online
