

GO FURTHER WITH

Ohio University's One-Year Master of Business Administration

In a competitive job market, you have to distinguish yourself to land your dream job. To build a career in the business world, you need the right balance of critical thinking and business knowledge. Ohio University's **One-Year MBA** is designed to help you enhance your core business competencies and develop confidence to thrive as a strategic and resourceful professional.

Build on your business or non-business undergraduate degree, gain international consulting experience, and grow your professional network to launch your career with an MBA from OHIO.

OHIO
UNIVERSITY

ONE-YEAR MBA
COLLEGE OF BUSINESS

Why OHIO's MBA?

- + 12-month residential program that starts in August
- + All undergraduate degree backgrounds are encouraged to apply
- + All applicants are considered for graduate assistantships
- + Gain international business experience during a trip abroad to work in a cross-cultural consulting team for international clients
- + Engage in experiential learning through group projects, working with real-world clients, and a series of professional development, service learning, and networking opportunities

- + Less than one percent of business programs are AACSB accredited at the undergraduate, graduate, and accountancy levels; OHIO's College of Business is part of that elite group

- + Competitive tuition rates you'd expect from a state university, but with the academic excellence and personalized attention of a private school
- + **Priority and international deadline:** February 1
- + **Application deadline:** March 1
