Why OHIO's PMSA?

- + 21-month blended program designed exclusively for active sports administration professionals
- + Join the strongest alumni network in sport with more than 1,700 alumni employed in key positions throughout professional sports, intercollegiate athletics, media, and sponsorship
- + Build lasting relationships with peers, sport business leaders, alumni, and faculty during in-person residencies
- + Learn from expert faculty comprised of renowned scholars and active sports business professionals with deep contacts in the industry, from local to international levels
- + Engage in experiential learning through class projects, symposiums, and networking opportunities
- + Innovative, dynamic curriculum allows you to focus on emerging topics in the sports field
- + Connect classroom knowledge to professional experiences and apply what you learn to your job from day one
- + Gain advanced business knowledge for the sports business world in one of the only COSMA-accredited MSA programs embedded in an AACSB-accredited college of business
