persona 3 portable was originally a psp port of persona 3 but has now been remastered for modern consoles every night people suddenly disappear during a hidden hour of the day called the dark hour armed with the power to summon personas you and your friends explore the dark hour uncover its secrets and protect humanity from deadly demons known as shadows

to help you choose which ones to download first wired sifted through the game pass catalog and rounded up outstanding titles we think you ll enjoy from recent releases to excellent throwbacks our genre spanning picks for the best game pass games have a little something for all players

could you survive on a desert island is probably the second most popular

hypothetical after could you survive a zombie apocalypse for those wishing to test their fortitude on a tropical island without actually having to scavenge for food and water of course then stranded deep places you in that unenviable scenario

if you re already a game pass subscriber with an xbox profile linked to your riot account it may take up to 24 hours for your benefits to unlock in riot s games this delay is more likely if you ve just activated a game pass subscription please try re launching your game s at a later time the first time you open one of our games after your benefits have unlocked you ll receive an in game message or notification about the benefits for that game

hitman 2 and 3 are particularly great with tons of memorable setpieces like the country manor murder mystery where you impersonate a detective solving a previous crime while simultaneously killing the suspects
