i have to admit the shortcuts of growing tiktok followers are really attractive however every coin has two sides have you ever thought about the engagement rate of your content if the followers are not real in the long run i suggest you could try other tips to skyrocket growth on tiktok just keep reading lenovo will communicate with you via email or push notifications including via the standing on giants platform about legion community related notices changes to features of legion community and any notices required by law in lieu of communication by postal mail if required by law we will ask you for consent before sending you marketing emails please note that you may unsubscribe to general marketing emails at any time using the link provided in the emails you understand that your data may be shared with other lenovo entities and trusted third parties with a contractual relationship with lenovo solely in connection with legion community the platform may contain links to third party websites advertisers products services offers or other events or activities that are not owned or controlled by lenovo lenovo does not assume any responsibility for any such third party sites information materials products services or offers if you access any third party website product service or content from the platform you do so at your own risk and you agree that lenovo will have no liability

arising from your use of or access to any third party website product service or content sharing new content at least twice a day will eventually get you a massive following because it will improve the exposure your videos are getting but you also have to post videos at the right time the magic posting hours on tiktok are between 11 am and 5 pm as your followers and their friends are most likely to use the app in that time frame get to know your audience and try to understand how frequently and at which hours they re using the tiktok app this will help you create a posting schedule that minimizes the chances of posting videos during parts of the day when they get the least amount of exposure
