to participate in the game you need to understand the rules as well as how to use the function keys in the game the way to play the modes in the game is relatively similar therefore i will only introduce how to play once in normal mode

fifa mobile 22 free coins generator that work no human verification in fifa mobile 22 free coins hack a common skill is that you need to knock down the box or in some cases the odd colored box in the neutral box to earn points and complete the training similarly you may be asked to hit the target literally bull s eye in order to score these are designed to test your ability in trying with precise targets rather than aiming your shots deliberately zero and they can be a bit of a challenging start however once you have mastered the art of drawing as straight a line as possible you should eventually master the fifa mobile 22 free coins glitch sometimes drawing a straight line from your player to your target may not cut it off if this

and points for fifa mobile hints mod apk happymod [#H;%|S] \_ ulule crowdfunding with a twist success

happens you can take turns aiming high if you want to knock down a box in the middle in this case the physics of the game may indicate that the ball is closer to the middle than the top box as for the lower boxes there is no complication just draw a straight line also keep in mind that once you reach a harder skill game you will have to deal with moving doors in those exercises that require you to score

in the game you need to try to score more goals than the opponent so you will win at the end of each match you will receive gifts from the game that could be the player s card or the amount of gold

the first is the moving key it is integrated on the left side of the screen and independent of the rest of the keys the key is designed as a virtual d pad to manipulate you need to move within the white inner ring and you can easily control up down left and right
