

Deposit Deferment Financial Aid Information Form

Incoming Students:

Incoming students do not need to complete this form. To be considered for a housing deposit deferment, incoming students need to log into their [Housing Self-Service](#) and complete their first year student housing contract and select their meal plan. The student should then exit the contract without making the payment and email a copy of your Financial Aid award letter to housing@ohio.edu. This form must be received **five days** before the housing contract deadline to be included in the general room selection process. Within five business days of receiving your financial aid award letter, your contract will be finalized, and an email confirmation will be sent to the student's official Ohio email address. **Any student who is not Pell Grant eligible will not receive a deposit deferment.**

Current or Transfer Students:

Any student who is not Pell Grant eligible will not receive a deposit deferment. If you have not completed a housing contract up to the point of payment, this form cannot be processed. This form must be received **five days** before the housing contract deadline to be included in the general room selection process.
